

# Abrasive paper, KULEX

# PS 529 F

## Properties

Bonding agent	Resin
Grain	SiC agglom.
Coating	Close
Backing	F-paper

## Product benefit

Long life belt for a brilliant and shiny finish, with low and medium contact pressure - Very long service life, with constant surface roughness - Ideal for dry sanding on wide and long belt machines

### Available grits:

16 20 24 30 36 40 50 60 80 100 120 150 180 220 240 280 320 360 400 500 600 800 1000 1200 1500 2000 2500 3000

## Materials

Stainless steel	●
Steel	●
Glass/Stone	●

## Applications

- ▶ Stainless steel processing industry
- ▶ Metal construction
