

Data Sheet

DT 300 U Extra Diamond cutting blades for angle grinders for Construction materials, Concrete

Class Extra

Applications

Construction materials

Concrete

Properties

Segmentation Standard

Design Sintered

Advantages: Product for universal use on general construction materials - Excellent cutting performance - Great price-performance ratio

Diameter/mm	Bore/mm	Vmax m/s	Max. RPM	Width of segments/mm	height of segments/mm	version of the rim	Cat.number
115	22,23	80	13.300	1,6	7	standard serration	325345
125	22,23	80	12.200	1,6	7	standard serration	325346
180	22,23	80	8.500	2	7	standard serration	325347
230	22,23	80	6.600	2,3	7	standard serration	325348
