

Data Sheet

DT 300 U Extra Large diamond cutting blades for Construction materials

Class Extra

Aggressiveness

Service life

Applications

Construction materials

Properties

Segmentation Standard

Design Sintered

Advantages: Product for universal use on general construction materials - Excellent cutting performance - Great price-performance ratio

Diameter /mm	Bore /mm	Vmax m/s	Max. RPM	Width of segments /mm	version of the rim	Cat.number	Availability
300	25,4	100	6.400	2,8	standard serration	325349	
350	25,4	100	5.500	2,8	standard serration	325350	
300	30	100	6.400	2,8	standard serration	325351	
350	30	100	5.500	2,8	standard serration	325352	
300	20	100	6.400	2,8	standard serration	326831
