

Data Sheet

DT 500 AC ACCU Cordless Grinder Diamond cutting blades for angle grinders for Construction materials, Concrete

Class Accu

Applications

Construction materials

Concrete

Properties

Segmentation Turbo continuous rim

Design Sintered

Advantages: All-rounder with turbo segments for clean and chip-free edges - Optimised cutting performance for all battery-powered angle grinders

Diameter /mm	Bore /mm	Vmax m/s	Max. RPM	Width of segments /mm	version of the rim	Cat.number	Availability
115	22,23	80	13.300	1,9	closed rim turbo	331229	
125	22,23	80	12.200	1,9	closed rim turbo	331230
