

Data Sheet

DT 900 UT Special Diamond cutting blades for angle grinders for Concrete, Construction materials, Roof tiles

Class Special

Aggressiveness

Service life

Applications

Concrete

Construction materials

Roof tiles

Properties

Segmentation Turbo continuous rim

Design Sintered

Advantages: Wave-shaped steel core - Use on construction materials - Clean cutting edges - High aggressiveness

Diameter/mm	Bore/mm	Vmax m/s	Max. RPM	Width of segments/mm	version of the rim	Cat.number	Availability
115	22,23	80	13.300	2,2	closed rim turbo	325364	
125	22,23	80	12.200	2,2	closed rim turbo	325365	
180	22,23	80	8.500	2,5	closed rim turbo	325366	
230	22,23	80	6.600	2,5	closed rim turbo	325367	
100	22,23	80	15.300	2,2	closed rim turbo	330626
