

Data Sheet

DT 910 B Special Large diamond cutting blades for Cured concrete, Cured concrete, reinforced

Class Special

Aggressiveness

Service life

Applications

Cured concrete
 Cured concrete, reinforced

Properties

Segmentation Narrow gullet
 Design Laser welded

Advantages: First-rate cutting performance - High cutting speed - Exceptional service life - Also suitable for concrete with strong reinforcement

Diameter /mm	Bore /mm	Vmax m/s	Max. RPM	Width of segments /mm	version of the rim	Cat.number	Availability
300	25,4	100	6.400	2,8	Narrow gullet	325073	
350	25,4	100	5.500	3,2	Narrow gullet	325106	
450	25,4	100	4.300	3,7	Narrow gullet	325182	
500	25,4	100	3.900	3,7	Narrow gullet	325193	
400	25,4	100	4.800	3,6	Narrow gullet	349230
